

INDIAN QUEENS COMMUNITY PRIMARY SCHOOL

AUTUMN TERM 2017

NEWSLETTER NO. 10

17 November 2017

Road Safety Fortnight

On Monday we start a fortnight focusing on road safety and how to stay safe when walking, riding bikes and scooters, and travelling in a car. Children will be learning all about how they can keep themselves and others safe, including when travelling in a vehicle and the need to wear safety belts and not distract the driver. If you have the opportunity to reinforce this very important aspect of staying safe, when you are out and about together with your child(ren) that would be really helpful. Thank you.

Anti-bullying Week

Though anti-bullying week has ended it remains a very important subject each and every day. Please remain vigilant regarding any concerns you may have around this subject and do not hesitate to let us know if your child is worried in any way. We will do everything we can to help.

Heroes Day

Special assemblies were held on Monday to celebrate the work done by each class on Heroes Day, when everyone studied a famous person who has made the world a better place for everyone. We are hoping to be able to show this work on the website so keep an eye out for this over the next week or two.

Cross Country

A total of 21 children represented the school in the cross country race on Tuesday. All of the children showed great determination and enjoyed the event. We are delighted that so many children are taking part in cross country events and congratulate everyone on their endeavours.

Sportability

Well done to the children who participated in a sportability event at Newquay Sports Hub. They completed 12 sports activities, including archery and curling. They had a very rewarding and successful afternoon improving their sporting skills – congratulations to you both.

Transition Orchestra – Year 5 and 6 Musicians

A transition orchestra is being set up at Treviglas Community College, run by the school and Cornwall Music Hub, to promote musicians coming together to make music. This is a very good opportunity for pupils in Years 5 and 6 who *already play a musical instrument* to become part of this orchestra. Many children learn to play a musical instrument but do not always have the chance to make music with other players. The orchestra will meet once a half term and the first session will be held on Monday 27 November from 3.30 – 4.30pm at Treviglas.

Greet Your Child With A Smile Not A Mobile

Many of you who visit the school regularly to deliver and collect your child will have noticed that signs are now situated around the school to remind everyone that the use of mobile phones on the school site is not permitted and all phones must be switched off and out of sight. This will ensure that all children get the undivided attention of their parent / carer as they are delivered safely in the morning and greeted with a smile in the afternoon. Hellos and goodbyes are very important for all children – thank you for your support.

School Attendance

Following a visit from our Education Welfare Officer, governors will be reviewing the attendance policy, strengthening the advice and information for parents and carers regarding unauthorised absences. This is because there has been an upward trend of the number of parents who do not request leave, but simply take their child away from school for an extended period of time during term time, automatically rendering the leave unauthorised. In these circumstances 10 unauthorised absences (5 days) can and may trigger a warning regarding a penalty notice and potential fine of £60.00 per child per parent. We will keep you informed when this policy has been fully reviewed and ensure you have this information and all the relevant guidance. Thank you.
