

Mathematics
The focus of mathematics teaching in Year 2 is to ensure that pupils develop confidence and mental fluency with whole numbers, counting and place value. This will involve working with numerals, words and the four operations, including using practical resources.

PSHCE
Looking after the environment and the planet.
How do we look after each other?

English
Writing diary entries, letters and narratives about personal experiences and fictional events.
Reading a range of fiction and non-fiction texts and discussing our understanding of them.

History
Looking at events beyond living memory.
Creating timelines.

Computing
Coding to create simple programs.
Combining sequences of instructions to switch devices on and off.

**Deadly
Dinosaurs!
Year 2**

Science
Working scientifically in investigations.
Learning about simple food chains and animal diets.
Studying plant and animal habitats.

Music
Play tuned and untuned instruments musically.
Listen to and appreciate a range of music.

P.E.
Competitive games
Dance

D&T / Art
Making fossils using clay.
Design, make and evaluate a board game.

Geography
Where in the world did dinosaurs live?
Compare the UK with a non-European country.

Religious Education
Explore the home lives of Christian and Hindu families.
Easter and the Hindu festival of Holi.
