Illness

We have recently been experiencing a higher than usual number of cases of sickness/stomach upsets/high temperature. In order to keep the risk to a minimum please ensure your child remains off school for a minimum of 48 hours following the last bout of sickness or diarrhoea.

We are really encouraging the children to wash their hands thoroughly, particularly before handling food to reduce the risk of infection. We are also ensuring the school and nursery is thoroughly cleaned to reduce any further risk.

School Uniform

A further reminder: School uniform is black shoes (not Ugg boots, snow boots or trainers). It is important that the children look smart and their footwear is sturdy and safe for school.

Purchase of uniform

Tesco will no longer be offering the embroidered school uniform service; so please use the new service, My Clothing. The link is: <https://myclothing.com>

E- Safety

5th February is Safer Internet Day where children will be learning more about internet safety

Please remember and talk your child about the importance of age restrictions for games and films. Children should not be watching things that are inappropriate-age restrictions are there for a reason.

Davidstow Creamery visit

The children in Year 5 visited Davidstow Creamery this week. They had a fantastic time and gained some great insight into the production of cheese. The children had a tour of the factory, took part in a practical cheese making session and were even lucky enough to taste some of the cheeses that were made there too. To end the day, all of the children were allowed to take some samples home with them.
