

## Expressive arts and design

- Use a variety of shapes and construction materials to design and build structures and bridges.
- Paint and collage to represent special buildings from all over the world.

## Understanding the world

- Talk about different buildings around the world
- Begin to know how things work

## Mathematics

- Count carefully to 5 and then 10 objects
- Use positional language during play.
- Begin to know 2D shapes and name them in play

## Minpins

January and February 2019

## PSED

- Focus on turn taking
- Practise following instructions
- Select our own resources and put them away when we have finished using them

## Communication and Language

- Follow a story with pictures or prompts.
- Listen to our friend's ideas
- Begin to ask simple questions about how things work and why

## Physical Development

- Strengthening hand and finger muscles using different fine motor activities.
- Begin to hold pencils, pens and paint brushes correctly
- Practise moving freely and with confidence in a variety of ways.

## Literacy

- Continue to practise the sounds we know
- Learn new sounds
- Practise writing our names

**Dig, Stack, Build!**
