

Mathematics

Geometry

Recognise angles as a property of shape or a description of a turn. Identify quarter turn, half-turn and three quarters of a turn. Identify whether angles are greater than or less than a right angle. Draw 2D shapes and make 3D shapes using modelling materials. Recognise 3D shapes in different orientations and describe them.

Measurement: Mass and Capacity

Measure, compare, add and subtract: lengths (m/cm/mm); mass (kg/g); volume/capacity (l/ml)

P.E.

Competitive games

Improve performance
and personal bests

English

Learn, read and write traditional fables from different countries

Persuasive writing about visiting different countries

Write and perform simple play scripts

Instructional writing- How to make a shadow puppet

Music

Use and understand staff and other musical notation

Improvise and compose music

Science

Explore the difference between light and dark

Investigate light sources, reflection and mirrors

Consider the dangers of the sun and how we
can protect ourselves

Around the World in 80 days

Year 3

Geography

Study the UK, France and the USA

Explore the earth including its tilt, days, nights
and seasons

Computing

Internet safety

Create patterns using graphics

Use PowerPoint to create presentations about
different countries

D&T / Art

Create shadow puppets

Mirror reflection

Religious Education

Islam

Christianity

French

Simple conversations
and explanations

PSHCE

British Values

Changes

History

Study the world and its countries and how
they have changed over time
