New School Lunch Menus

Over the next few weeks we will be introducing new items to our school lunch menu, including new vegetarian options each day. We are all looking forward to trying out new foods and hope that you will be able to encourage your child to try out the new menus. Please see below for the menu next week.

Camps

A reminder that the final balance needs to be paid by **1st April (2 weeks time)**. If you are aware your child no longer wishes to go, please inform us as we have waiting lists for some camps. If the balance is not paid on time, this may result in your child losing their place. Thank you.

Science Week

The children all really enjoyed the visit from a science dome this week, learning amazing facts about different areas of science. Children in Reception, Year 1 and Year 2 classes were transported back to the land of the dinosaurs and even got to hold real, fossilised dinosaur bones! Years 3 and 4 experienced super volcanoes and how Pangea separated to make the continents that we know today. Finally, a journey into the solar system allowed Years 5 and 6 to take a closer look at the planets and how a star is born. This was an amazing experience for the whole school!

Ecobot Challenge

We were delighted to hear that following a challenge to reduce our electricity usage between October 2018 and January 2019, we have been awarded £500 for reducing our electricity consumption by 8.31%. Well done to the Year 6 energy monitors, who have been relentless in ensuring that staff and children turn off lights when leaving the classrooms and switch off computers when they are not being used.

Book Fair

A big thank you to everyone who came and supported our book fair. We took just over £1100 which is absolutely fantastic. Thank you so much as this will help us to buy lots more exciting books for the school.

Swimming

The children in Year 3 took part in their final swimming session of the year this week. The children have worked hard at improving their swimming each week and Mr Cruse, as well as the other staff in attendance, have been pleased with their progress.
