### **Mathematics**

Continue learning about multiplication and simple division

Use these calculations to answer word problems

Capacity and mass linked to packing luggage

Telling the time using an analogue clock and ordering events.

### Computing

Videoing and filming our own weather forecasts using green screens

Using Powerpoint, changing fonts, adding pictures and learning how to delete items

### English

Poetry – use of onomatopoeia

Fantasy story writing linked to the 'magic carpet adventures'

Non-fiction books about the seven continents

Report writing about seasonal walks around our school

Instructional writing

### **Physical Education**

**Athletics** 

Summer sports

Sports day

Where in the world?

Year 1

#### Music

Make music linked to the sounds of the weather

Exploring notation and rhythm using recorders and glockenspiels

### **Science**

Seasons, especially the changes in trees and weather

Nature walks

Weather symbols and forecasts

Recording the weather

# **PSHCE**

**Transition** 

New beginnings

Change

### **Religious Education**

Hinduism

Stories from Hindu culture

## <u>History</u>

The story and discoveries of Christopher Columbus

Old maps and how they have changed over time

### Geography

Mapwork using a globe and local maps

Learn about compass points and how to use a compass

Orienteering

### D&T / Art

Using collage to create different effects, focusing on trees in different seasons

Studying the magic carpet oil painting by Viktor Vasnetsov

Weaving
