

Indian Queens School: EXTRA-CURRICULAR CLUBS Autumn Term 2019

Clubs will commence in week beginning Monday 23 September, and run up to and including week ending Friday 29 November- excluding home school review meeting week (week beginning Monday 7 October) and half term (week beginning Monday 21 October). All clubs will run from 3.15 - 4.15 pm.

Once a child has accepted a place, it is compulsory to attend each week. This is for 3 main reasons. Firstly it is because once a commitment has been made, and a place accepted, the club leader will plan for each child to attend, and secondly because the place has been given to a specific child and others may not have been so lucky, so to waste a place is unfair. Finally, for safeguarding reasons, it is extremely important for both the parents / carers and the school to know where the children are to ensure that they are safe.

A charge of £4.00 per child will be made *regardless of how many clubs a child attends*, or the number of club sessions held in a term. This helps towards providing resources for the various clubs and is ring-fenced to ensure it is used to support clubs. Children eligible for and signed up for free school meals (not universal infant free school meals) and children from service families are exempt from this charge.
