SPRING TERM 2019

8th February 2019

Emergency closure procedures

Following last week's eventful (and unexpected) snowfall we have reviewed the procedures for emergency closure. **NO** child will be allowed to leave the school building (even if they normally walk home), until we receive confirmation from a parent that it is safe for them to do so. If you are trying to phone the school on a day that is an emergency closure, please try to be patient with us if your call is not answered quickly. We only have two phonedlines, so they are often very busy at these times!

Home School Review meetings

On Monday, letters will be sent home with the date and time for your child's home school review meeting. These meetings will be held in the week beginning Monday 25th February. We would ask that you try to ensure that you attend this meeting as staff have set aside a lot of time for these. If you do need to change the time of your meeting, please do so as soon as possible so that staff have the chance to offer an alternative date and time.

Western Power eco-car competition WINNER!

The children have all taken part in a competition organised by Western Power Distribution to design an eco-car. We are delighted to announce that the winning design was completed by Rhianna (Year 6). She has won both £200 for the school and an MP3 player for herself. If you would like to see her design and some other close 'runner-ups' please visit the website: <https://www.westernpower.co.uk/power-discovery-zone/ecobot/on-your-marks-get-set-go>

Cross Country

Congratulations to all the children who represented the school at the cross country race this week. This was the first opportunity for some of the Year 4 children to participate and we had a record 31 entrants. Well done to everyone who ran so well.

There are also an incredible 17 children who have now qualified to run in a mid-counties competition in March. These children will be announced and receive further information about their qualification during assembly on Monday.

Times Tables Rock Stars

Next week will see the school launch of 'Times Tables Rock Stars', a challenging and fun way to learn and practise times tables. Children will have access to this web based program both at home and school, so please look out for the information that will be sent home that gives your child's individual log-in.

WELL DONE!

Today we had **no** children late for school, a great start to the day!

Children arriving late does not just impact on the learning of that child, but every child in the class.

Information sent home this week:

- Letter re Year 1 visit to Post Office
- Letter re Yr 5/6 tag rugby tournament (selected children)
- Blackbird Pie magazine
- Black and Gold magazine
