SUMMER TERM 2019

28th June 2019

Parental surveys

Thank you so much to all the parents who have taken the time to complete and return a survey on their views of the school. We are delighted with the amount of responses we have received and will be collating all the responses early next week, so if you still have a survey to return we would appreciate if it could be returned by next Wednesday (3rd July). The main issues raised are regarding homework (some the lack of and some too much) and the need for more information on your child's progress. We have already put in place, plans for additional progress information to go home next year and next week we will be sending a further survey regarding your views on homework specifically, so please look out for it!

Summer Fair

Thank you to everyone who came and supported our annual summer fair. We were once again blessed with lovely weather albeit a little windy! It was a great evening and it was great to see so many families come to support us. We are delighted to announce that we raised an incredible £827.34 which will continue to support the funding of events, activities and resources for the children. Thank you so much to Mr Edie and the other members of the band 'Gerry and the Hat-tricks' for entertaining people so brilliantly during the evening.

Also a huge well done to Year 6 who managed to raise a further £450.00 from their interesting and enterprising 'Fiver Challenge' stalls. This money will be used to fund their end of term beach visit (and ice cream treats). The children have also decided to donate £250 of this money to Shelterbox following a visit to their visitor centre earlier this year.

Educational Visits

The Year 6 children have been passionate about environmental issues, especially with so much about plastic in the news, and they had a great opportunity to visit the Cornwall Energy Recovery Centre to find out how un-recyclable waste is being converted into energy rather than just buried in landfill. The children watched the giant claws lift waste and toured the control room, as well as explored the interactive displays. It was an informative and inspiring visit.

Today, Year 2 visited Ennis Barton Farm to learn about dairy farming. We had the chance to use a milking machine, try out milking by hand (on a model cow) and saw some of the 900 cows that live on the farm. All the children had a great time and learned lots.

Camps

This week Years 3 and 4 have been on their camps at Nine Ashes. They had fantastic weather and enjoyed taking part in all of the activities. We would like to say a big thank you to the staff who gave up their time to take them to camp, it is much appreciated. Year 5 are looking forward to their camp next week.
