SUMMER TERM 2019

21st June 2019

Roofing project

The roofers are getting started and this is going to cause some changes to drop off and collection for KS2 (KS1 arrangements will not change). The path along the front of the school will be closed, so children will not be able to leave bikes or scooters at the bike racks at the start of the day. They will need to leave them at the bike rack in the Drang. Also Year 3 and Miss Tullett's class will leave at the end of the day from the KS2 exit. To reduce congestion in this area Year 6 (the majority of whom walk home independently) will be released at the end of the day from the gate/car park at the top of the road beside the sports hall. For the health and safety of everyone, can you please make sure you only use the walkways provided through the car park. Any other changes will be announced as needed, thank you for your patience while we carry out this vital work.

Educational Visits

On Wednesday the year 3 children visited the Minack Theatre to watch Ali Baba and the Forty Thieves. The performance was fantastic and they were very lucky to have beautiful sunshine. The children thoroughly enjoyed the play and their behaviour was excellent. Our thanks go to the staff for organising the day. Also thank you to all the parents who were so understanding about the unavoidable late return.

Parental survey

Today we have sent home a survey with your child that asks for your views and opinions on the school. Obviously we would like as many back as possible so we get a true reflection of what people think. They can be returned to your child's class teacher or there is a box available in the school office. Thank you.
