

Expressive arts and design

- Explore different materials and textures to create a 3D model of a home.
- Investigate colour, including mixing to create different shades and tones.
- Develop rhythm awareness to create our own songs and dances to a beat.

Reception September and October 2018

PSED

- Learn how to express and manage own feelings whilst learning how to empathise with others.
- Look at the similarities and differences between ourselves and others to support us in making new friendships.

Communication and Language

- Listen to others and use talk to join in with conversation.
- Learn how to re-tell favourite stories in sequence.
- Take part in role play activities and use appropriate language to represent experiences.

Marvellous Me!

Understanding the World

- Recognise different habitats.
- Investigate different natural environments.
- Learn about different cultures through a range of picture books.

Mathematics

- Learn how to recognise and order numbers.
- Know that numbers identify how many are in a set.
- Show an interest in number problems.
- Recognise numerals of personal significance.
- Use basic 2D shapes for purpose.

Literacy

- Join in with stories and anticipate key events in the story.
- Recognise and use rhyme.
- Show interest in illustrations and print in books and in the environment.

Physical Development

- Develop hand-eye co-ordination skills and the ability to dress independently.
- Experience different foods and make healthy choices.
- Consider speed, direction and safety when moving.
- Learn to hold a pencil using a tripod grip.
- Write recognisable letters and begin to write simple words.
