Inset Training Days

Golden Hour and Take the stage (Friday)

'Take the Stage' will have a different emphasis this term, with each class preparing a performance for the rest of the school. For those children who enjoy performing, there will still be the chance to perform individual acts in front of their class. On Friday, there will be the opportunity for children to spend time sharing toys and games with their friends, so if they would like to, they may bring a toy or game from home. Please remember we cannot be responsible for lost or damaged items, so please do not send toys of sentimental value or any electronic items.

Visits – Food and Farming event

Years 3 and 4 had a wonderful day at the Food and Farming event at the Royal Cornwall Showground on Wadebridge. The children took part in a range of hands-on activities including pasty making, ice-cream tasting, apple pressing and petting a range of farm animals. The children's behaviour was exemplary and everyone had a fantastic time.

Kernow Forest School

Comanche class went to Kernow Forest School session on Monday. They had a fantastic time and learnt how to make watertight dens and use a flint to safely light a fire. A particular highlight for the children was cooking scones and toasting marshmallows over an open fire. Innoko look forward to a similar experience on Monday.

Phone Messages

Please can we remind parents that messages relating to end of day arrangements need to be phoned in as early as possible as we cannot guarantee that late messages will reach a class in time. This can be a particular concern if a child is walking home and has left the building before a message changing the arrangements gets to them. Thank you for your support.

A final reminder that the balance for all camps needs to be paid by **MONDAY (1st April)**.
