Mathematics

The focus of mathematics teaching in Year 2 is to ensure that pupils develop confidence and mental fluency with whole numbers, counting and place value. This will involve working with numerals, words and the four operations, including using practical resources.

PSHCE

Preparing to move on.

Dealing with feelings in a positive way.

Recognising strengths and setting simple goals.

English

Writing poems, reports, instructions and narratives about personal experiences and fictional events.

Reading a range of fiction and non-fiction texts and discussing our understanding of them.

History

Looking at the lives of significant people.

Learning about great inventors.

Religious Education

Special people in Christianity and Hinduism.

Christian and Hindu stories.

Computing

Learning to stay safe on the Internet.

Using a search engine to find information.
