| Friday    |                            |

## Eden Project- Wilderness Land

We are delighted to be working with the Eden Project team to develop the 'wilderness' land that belongs to the school as an amazing outdoor learning and play environment. We have reached the stage where pupils are contributing their ideas and suggestions for the design team. We will keep you updated about progress and look forward to sharing with you the pupil's ideas.

### Driving at and around the school

Please can we remind parents to adhere to speed limits around the school at all times- this is for the safety of all our children and members of the public.

Please also be respectful to our neighbours when driving to and from school and parking in the surrounding area.

*Thank you*

We hope everyone is settling back in after the holidays!

*See below for what some of our classes have been up to this week:*

Year 2 enjoyed a percussion day as part of their topic "Beat Band Boogie". They got to play different tuned and untuned percussion instruments from around the world.

Year 3 enjoyed their first swimming session at Atlantic Reach. They are looking forward to the next sessions and learning how to improve their swimming skills.
