SPRING TERM 2020

Friday 24th January 2020

ClassDojo

We have recently reviewed the school behaviour policy, and as part of this process, we are trialling ClassDojo which enables us to have a consistent reward system throughout the school.

ClassDojo is a behaviour management tool for the classroom, we are not trialling parental involvement at this stage. ClassDojo assigns each pupil their own avatar (the children love this), and members of staff can assign individual positive and negative points (we are not using negative points) throughout the school day. Teachers choose our core values of **courage**, **kindness** and **trust**, or things like creativity or teamwork to assign whole class points. When the class points target is reached the children vote on a class reward, which teaches and reinforces democracy and British values. When individual points targets are reached the children will have a postcard sent home to share their good news.

Information sent home this week:

Year 3- Wheal Martyn Trip Letter

Musical visit

Year 2 were visited by a harpist and cellist this week, who played music for the children and taught them all about her instruments.

Cross Country

Well done to the children from Year 5 and 6 who represented the school at Newquay Sports centre at a cross country event. The sun was shining and all the children tried very hard and did very well. The next cross country event will take place on Tuesday 3rd March and will be for Yr 4, 5 and 6 children.

Netball Tournament

Well done to all the children who participated in the Treviglas netball league tournaments across December and January. Teddy, Shannon, Lydia, Jasmine, Tilly, Brody, Bridie, Keeley, Aleshia, Tilly, Corinna, Jack and Willow. The team won 7 of the 9 games played finishing 2nd place overall in the final. They set a high standard on and off the pitch and were a credit to the school. They should be very proud of themselves, well done!

Being on time to school

Please ensure your child is at school on time so they can settle in and be ready to learn. We have an increasing number of children who are late for school, not only does this affect their learning but latecomers can disrupt the learning for other pupils in their class. The school gates are open at 8.40am and the bell for starting learning is at 8.55am prompt. Even just a being a few minutes late means children may miss the opportunity to say hello and chat to their friends and may feel less settled as they start their morning lessons.

Arriving just 10 minutes late a day amounts to six days of education missed a year.

Term-time holidays

Our school absence rates are also significantly affected by term-time holidays. We understand the significant financial savings that can be made by taking holidays in term time, and that some families are involved in seasonal work that makes it difficult to go away in school holiday time. However, we are only able to authorise holidays in exceptional circumstances and ask parents to avoid taking children out of school in term-time if at all possible.

Hygiene and illnesses

Due to the increasing number of absences caused by illness, please can we ask parents to emphasise to children the importance of washing hands regularly- especially after using the toilet.

Handwashing with soap is one of the most effective ways of keeping nasty illnesses at bay, especially at this time of year when diarrhoea and vomiting and respiratory bugs are most prevalent.

Parent Pay

Please could we ask that payments for clubs, trips etc are paid for on ParentPay whenever possible. Due to bank branches closing, it is becoming more difficult to bank the cash we receive and any help to move towards us becoming a cashless school is really appreciated.
