

MATHEMATICS

- Addition and subtraction
- Measures: length and perimeter
- Multiplication and division

ENGLISH

Fiction: The Worst Witch, Alice in Wonderland

Non-Fiction: States of Matter, Solids, Liquids, Gases

Writing: Spell Poetry, non-chronological reports, letter writing

Handwriting

Spellings

Year 4 Autumn 2

PE: Gymnastics
Invasion games

Music: Stop! - a song/rap about bullying. Listening, appraising, performing and accompanying

Religious Education

Understanding Christianity: The Trinity

Computing: Repetition in games, using loops to achieve a particular outcome

Topic/Science

WOW: Chocolate Day

We will be learning about the world around us. What are things made of? Are they solids, liquids or gases? How can we find out the weight of gases? We will be investigating chocolate to find its ideal melting temperature (and using the melted chocolate in our Krispy Cakes!) What is the best temperature to melt chocolate? We will be answering that often asked question, is custard a liquid or solid?

Geography: Water:

evaporation,
freezing melting,
condensation

The water cycle

Art/DT

Painting: large and small scale paintings

Comparing the work of famous artists

Clay: Designing and making potion bottles

PSHE: Valuing difference
