

Expressive Arts and Design

Use sand to manipulate and explore. Add water to see how the sand changes when wet. What can you build?

Explore blue, white and green paints. How many different shades of blue can you make? Can you paint the sea using different shades of blue?

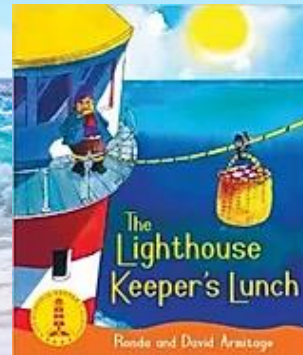

Design your own beach bag or sun hat!

Make a poster about how to stay safe in the sun.

Draw a self portrait and write 3 things about yourself for your new teacher to read!

Maths

Can you find numbers that go together to make 10?

[Number Bond Song](#)

Sort 3D shapes! Look through your recycling and see if you can sort some 3D shapes.

Go to the beach and see if you can make a tally chart of all the different creatures that you see!

Extras:

1. Reading: www.phonicsplay.com Look for Phase 3.
2. Maths: [Maths activities](#)
3. Look at pictures dotted around this page for additional craft activities.

Personal, Social and Emotional Development/ Communication and Language.

Where is your favourite place to go in the Summer?

Are you excited about starting in Year 1 with your new teacher? Write a note about how you feel.

Physical Development.

- Can you turn an 'inside out' jumper back the other way?
- Can you fold your school uniform?
- Have a go at learning to tie laces!
- Practice writing letters on a line
- Have a go at skipping to some music!

Literacy

What things do you want to learn in year 1?

Write down 5 things that you want to learn about or get better at. You could take this to school in September for your new teacher"
