Controlling or simulating programmable hardware.

Research skills

RE - How and why do religious and non-religious people try to make the world a better place?

Identify some beliefs about why the world is not always a good place and what are the best ways of making it better.

Make links between religious beliefs and teachings and why people try to live and make the world a better place.

Make simple links between teachings about how to live and ways in which people try to make the world a better place.

Make links between some commands for living from religious traditions, non-religious worldviews and pupils' own ideas
