Well done Bella!

New phone system

We are having a new phone system installed over half term. We hope this will run as smoothly as possible but please bear with us if there are any teething problems in the first week back.

Thank you!

Music Tuition

We are hoping to resume guitar lessons after half term and will have a new guitar teacher joining us for these sessions. If your child (Years 3 – 6) would like to learn to play the guitar please follow this link <https://www.cornwallmusicsericetrust.org> for further information. If your child is currently eligible for Free School Meals (not Universal Infant Free School Meals), is in care, has a parent currently serving with the Armed Forces or you receive disability living allowance your child's lessons are available at a subsidised (discounted) rate. You will need to provide your child with their own instrument (but the Music Service Trust do have some instruments available to hire if necessary).

Homework

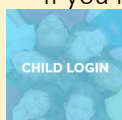

After half term, all homework will be issued on Google Classroom.

If you have not yet logged into your child's google classroom account, please do so by clicking on the 'child login' button on the school website homepage, enter the school name, then click on 'login with Google'.

Please click [here](#) for an instructional video.

Login details were emailed out to parents from Aspire ICT team on 21st September.

If you have any problems please let the school office know by phone or email..
