

<p>Personal Social and Emotional Development:</p> <p>During this half term we will be learning how to take care of sea creatures, and how to care for ourselves on the beach and in the sun. We will be discussing our ideas with others and taking in turns to share our experiences.</p>	<p>Communication and Language:</p> <p>We will be learning to develop our spoken language by connecting our ideas with our experiences. We will be listening to others and asking questions to deepen our understanding. We will be learning to name and describe sea creatures.</p>	<p>Physical Development:</p> <p>During PE we will be practising different skills ready for Sports Day! We will be developing our balancing, ball dribbling, jumping, and running skills.</p>	<p>Literacy</p> <p>In Literacy we will be exploring various seaside stories and non-fiction books. We will continue to practise reading and writing our names, learning to form each letter correctly.</p>
<p>How To Support Your Child at Home:</p> <ul style="list-style-type: none"> • Take your child to the beach and talk to them about sea animals. • On the beach, talk to your child about the different coloured flags. • Look for shapes and patterns in the environment. • Talk to your child about coins and using money to pay for things. • Begin to talk about changes and the transition to next year, particularly school starters. <p>Useful stories:</p> <p>The Rainbow Fish To The Rescue</p> <p>The Lighthouse Keepers Lunch</p> <p>Mister Seahorse</p> <p>Polly Parrot Picks a Pirate</p> <p>Where's The Starfish?</p>	<p>Who Lives In A Rockpool?</p> <p>Summer 2</p>		<p>Mathematics</p> <p>We will continue to develop our understanding of number representations. We will be learning how to solve real life problems within 5 and will learn how to sort shapes according to their properties.</p> <p>We will also be learning positional words such as; on, under, in front, behind and next to.</p>
<p>Expressive Arts and Design</p> <p>Throughout this topic we will be applying our skills of using different media to construct with purpose. We will be creating seaside pictures using sand and ripping tissue paper for effect.</p> <p>We will be role playing using our class pirate ship and making telescopes to look for treasure. We will also be using our imagination to make our own stories in the small world areas.</p>		<p>Understanding the World</p> <p>In this topic we will be looking at sea safety and how sea animals live and grow. We will be learning to name and describe creatures that live in a rockpool.</p> <p>We will be learning how to stay safe on the beach and in the sun.</p>
