

## Year 2 Topic map

### Religious Education

We will be exploring the religion of Christianity.

We will be learning about Incarnation and why Christmas is important to Christians.

We will also learn about thankfulness.

### Art and Design

Create artwork in the style of Kurt Schwitters and Henri Matisse.

Explore different pizzas before designing and making their own.

### Computing

Use of Beebots to code journeys

Use of coding packages to learn to give commands to create certain movements

### P.E

Multi-skills – football and hockey skills and developing our gross motor skills.

Gymnastics – travelling, balancing and jumping in different ways

### Enrichment (Seasonal, visits and 'wow' moments)

In school, we will be having a 'mucky day' where the children will take part in a variety of activities that will teach and extend use of vocabulary around muck, mess and mixtures.

The children will visit Truro Cathedral to learn about the different jobs within the Cathedral and more about worship in the Christian faith.

### English (including Punctuation, Spelling and Grammar)

In English we will explore the poems of Michael Rosen and the stories of George's Marvellous Medicine and the Day the Crayons Quit.

We will learn to write poetry, instructions and persuasive letters.

We will discuss and explore a range of stories, identifying new vocabulary which we can then use in our independent writing.

We will explore the Year 2 spelling rules and continue to apply these into our writing.

Muck, mess and mixtures

### History and Geography

Weather- how does the weather affect us?

Identifying weather based on geographical location.

Climate change and COP26.

Historical study – the life of Henri Matisse

### Science

Identifying and comparing the suitability of a variety of everyday materials for particular uses.

To find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.

Carry out investigations by observing, measuring and recording their observations.

### Mathematics

Solve problems with addition and subtraction.

Recall and use addition and subtraction facts to 20 fluently and related facts to 100.

Add a 2-digit number and ones, a 2-digit number and tens, two 2-digit numbers and three 1-digit numbers.

Show that addition of 2 numbers can be done in any order but subtraction of one number from another cannot.

Recognise and use the inverse relationship between addition and subtraction to check calculations.

### Music

Learn the song 'Ho Ho Ho' and other songs with a festive theme.

Listen to and appraise different songs.

Play tuned and untuned percussion instruments.

### PSHE

*Valuing difference*

We will learn about the similarities and differences between people and know words and phrases that show respect for people.
