

Expressive Arts and Design

Use sand to manipulate and explore. Add water to see how the sand changes when wet. What can you build?

Explore blue, white and green paints. How many different shades of blue can you make? Can you paint the sea using different shades of blue?

Design your own beach bag or sun hat!

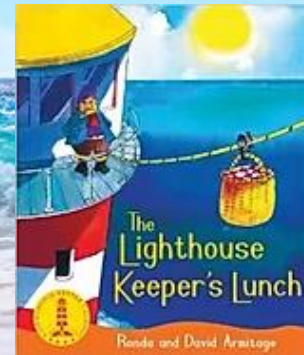

Draw a self portrait and try to use the right colours for your hair, eyes and clothes!

Extras:

1. Reading: www.phonicsplay.com Look for Phase 1.
2. Maths: [Maths activities](#)
3. Look at pictures dotted around this page for additional craft activities.

Reception
Home Learning
Summer
13.06.2020

Personal, Social and Emotional Development/ Communication and Language.

Where is your favourite place to go in the Summer?
Are you excited about starting school with your new teacher? Draw a picture to show how you feel.

Maths

Can you recognise and order numbers to 10? Ask an adult to make some number cards to 10, muddle them up, and then try to arrange them again!

Go for a walk with an adult, Where can you see numbers? What do you think these mean? Can you spot any shapes?

Learn about numbers with Numberblocks! <https://www.bbc.co.uk/cbeebies/shows/numberblocks>

Literacy

What things do you want to learn next year?

Draw 5 things that you want to learn about or get better at. You could take this to school in September for your new teacher"

Physical Development.

- Can you put your own shoes on?
- Can you put on your coat?
 - Can you do up a zip?
- Practice putting on and taking off your new school uniform!
 - Can you use children's scissors to cut some paper?
- Can you go to the toilet and wash your hands?
