*Keyshia, Y6 - KS2 Winner*

Huge congratulations to all and look out for our new logo on forthcoming posters and our Facebook page!

Please continue to read to and with your children, whether they are attending school or home learning.

Reading is a time for closeness, laughing and talking together – and it can also give children a flying start in life and help them become lifelong readers.

The [Booktrust](http://www.booktrust.org.uk) website has lots more information on how to get the most out of reading with children, and please remember to make the most of our library openings and the Borrowbox scheme.

Anyone can come along to access perishable food that is reaching the sell by date and has been donated by shops & supermarkets. There is no charge for the food, donations are always welcome.

Every Tuesday

### Borrowbox

Education Library Service alongside Cornwall Library Service are providing an **exciting free offer** to support children with reading during these challenging times.

They are offering children easy access to eBooks and Audiobooks, both at school and at home, through their exclusive Borrowbox Primary only platform.

We have sent details out via email today, with your Borrowbox number and pin. Please read the instructions in the email for how to get started.

Happy reading! 😊

Just a reminder to parents that the current guidelines during lockdown are that children should stay at home if at all possible, and should only attend school when absolutely necessary. Thank you

Please remember that the school car park is still being used by taxis and cars each day. If you are coming to collect children at the end of the school day, please make sure you stay on the pavements and that children are supervised at all times.
